The advertisement is shaped like a house. The roof is a triangle containing the text 'Turning your house into your dream home we offer the best quality work and guaranteed satisfaction'. The roof is flanked by cartoon characters: a man on the left and a woman on the right, both wearing hard hats and holding tools. The main body of the house is a large rectangle containing the text 'DECKS - GARAGES ADD-ONS - OUTBUILDINGS Add a little something or give your entire house a makeover'. Below this is 'FREE ESTIMATES' and 'We Offer 10% Discount to Seniors and Special Needs'. At the bottom is 'To schedule a consultation please call 865-363-4756'. The house is supported by two cartoon characters on the left and right sides, also wearing hard hats and holding tools.
